**Kolesar & Leatham donates holiday decorations and gifts to
Life Care Center of Las Vegas**

LAS VEGAS – Kolesar & Leatham, a Las Vegas-based business law firm, delivered five decorated holiday trees and numerous presents for the residents of Life Care Center of Las Vegas, an assisted living and nursing home facility.

For the past five years, attorneys and employees at Kolesar & Leatham have bought and decorated trees that are then delivered and displayed throughout the Life Care Center facility, located at 6151 Vegas Drive, so residents and visitors can enjoy them.

Additionally, Kolesar & Leatham purchases various gifts selected specifically to meet the needs of the Life Care Center residents, including calendars, card games, scarves, blankets and socks.

Funding for the trees and gifts is shared by the law firm as well as the individual attorneys and employees who participate every year.

“The holiday spirit that these trees bring to the center and the residents is wonderful,” said Jan Swallow, activities director at Life Care Center. “We greatly appreciate the efforts and generosity of the people at Kolesar & Leatham.”
